

PRAVEENKUMAR MURUGAN

Senior Consultant - Cybersecurity

+91 6381120377 @ praveen25.10murugan@gmail.com linkedin.com/in/praveenkumar-murugan Bangalore

SUMMARY

Senior Cybersecurity Consultant with over 5 years of experience in network and application security, specializing in firewall engineering, identity access management, and compliance governance. Proficient in Palo Alto, Fortinet, Check Point, Cisco ASA/FTD, and cloud security platforms including AWS and Azure. Delivered 250+ firewall migrations and 30+ enterprise transformation projects, driving enhanced security posture and operational efficiency across BFSI, healthcare, insurance, manufacturing, and government sectors. Skilled in security architecture, risk management, disaster recovery, and stakeholder collaboration to support robust security operations.

EXPERIENCE

Senior Consultant - Cybersecurity

LTM 03/2025 - Present Bangalore, Karnataka

- Led global infrastructure transformation for Dentons, optimizing 9,847 security policies and reducing complexity by 38%, improving governance and operational efficiency.
- Managed large-scale migrations and upgrades with 100% success and zero downtime across multiple environments (Palo Alto, Fortinet, Check Point).
- Directed NGIA 2.0 transformation for SITA, enhancing security infrastructure through migration to virtual Palo Alto firewalls.
- Achieved 95%+ first-time change success rate via effective CAB reviews, risk assessments, and stakeholder communication.
- Conducted compliance assessments on 250+ security devices, improving compliance by 35% and identifying key gaps.
- Led DR and BCP validation exercises with 100% recovery validation success, ensuring no RTO/RPO breaches.
- Acted as trusted advisor providing technical guidance during 10+ transformation programs for clients and stakeholders.

Network Security Engineer

Sify Technologies 06/2021 - 03/2025 Chennai, Tamil Nadu

- Delivered 24x7 L1/L2/L3 security operations support for 30+ enterprise customers, maintaining 98% SLA compliance across incident, request, and change management.
- Executed 30+ firewall migrations with zero business disruption, leading planning, implementation, and support activities.
- Managed multi-vendor security platforms, enhancing operational efficiency by 25% through standardized policies and troubleshooting.
- Reduced application security incidents by 30% through proactive policy tuning on F5 BIG-IP and other WAF solutions.
- Improved threat detection and email security effectiveness by 35% by managing FortiMail, Trend Micro, and related platforms.
- Led DR and BCP exercises, achieving a 98% successful recovery validation.
- Mentored and trained junior engineers, reducing escalation dependency by 20% and improved resolution times by 25% as escalation engineer.

EDUCATION

B.E. Computer Science & Engineering

SCSVMV University

Kanchipuram, Tamil Nadu CGPA 8.9 / 10.0

SKILLS

Network & Perimeter Security

Palo Alto, Fortinet, Check Point, Cisco ASA/FTD

Identity & Access Security

DUO MFA, Azure IAM, ARCON PAM/PIM

Application Security & WAF

F5 BIG-IP, Radware, Indus face WAF

Email & Data Security

FortiMail, Trend Micro, Forcepoint DLP, Cisco WSA

Cloud & Virtualization

Azure, AWS, VMware ESXi, Virtual Firewalls

Network Technologies

BGP, OSPF, NAT, VPN, SD-WAN

Security Operations

Senior Support, Incident Management, Security Hardening

Governance & Compliance

NIST CSF, CIS Benchmarks, DR, BCP

CERTIFICATIONS

PCNSE (Palo Alto certified network security engineer)

AWS Certified Cloud Practitioner

Forcepoint Administrator

Trend Micro Apex One Certified

Cisco Network Support & Security

MSME CFTI Chennai-Cyber & Network Security
